

ESL-JN-S-75 PTE/K 80 304102

Product type: Swivel castors with brake
Product group: Equipment castors

Manner's equipment castor selection offers a diverse range of high-quality, durable and smooth running castors. The castors are designed to have a structure that is both durable and stylish. They are also highly reliable and safe. The forks are made of galvanised steel, and there is a variety of wheel options available depending on the application and operating conditions. The castors are available with a single action brake or total-stop brake, depending on the model.
