Product type: Swivel castors with directional lock
Product group: Equipment castors

Manner's equipment castor selection offers a diverse range of high-quality, durable and smooth running castors. The castors are designed to have a structure that is both durable and stylish. They are also highly reliable and safe. The forks are made of galvanised steel, and there is a variety of wheel options available depending on the application and operating conditions. The castors are available with a single action brake or total-stop brake, depending on the model.

Technical data

Wheel diameter (mm):	125
Wheel width (mm):	32
Load capacity (kg):	130
Overall height (mm):	164
Swivel radius (mm):	109
Diameter of the stem (mm):	32x50
Tread material:	Polyurethane
Hardness of the tread (shore A):	95
Centre material:	Polyamide
Bearing type:	Ball bearing
Fitting:	Stem
Weight (kg):	0.924
Brake type:	6
