

## GKR-S-75 PTE/K 80 301743

**Product type:** Swivel castors

**Product group:** Tango

The Tango equipment castor is suitable for environments where features like stainless material, conductivity or non-magnetic. The smoothly rolling and maintenance-free Tango is manufactured of glassfibre-reinforced polyamide. With its perfect design, the Tango castor is easy to clean and suitable for most environments. Tango is the right choice, whether the environment is a hospital, rehabilitation centre, institutional kitchen, restaurant, shop, office, public facility or factory.

### Technical data

|                                                                                     |                      |                      |                                                                                     |                                  |               |
|-------------------------------------------------------------------------------------|----------------------|----------------------|-------------------------------------------------------------------------------------|----------------------------------|---------------|
|  | Wheel diameter (mm): | 75                   |  | Hardness of the tread (shore A): | 80            |
|  | Wheel width (mm):    | 32                   |  | Centre material:                 | Polypropylene |
|  | Load capacity (kg):  | 70                   |  | Bearing type:                    | Ball bearing  |
|  | Overall height (mm): | 110                  |  | Fitting:                         | Threaded stem |
|  | Swivel radius (mm):  | 73                   |  | Weight (kg):                     | 0.325         |
|  | Fork material:       | Plastic              |  | Threaded stem diameter x length  | 10x16         |
|  | Color:               | Grey                 |  | Bore length (mm):                |               |
|  | Tread material:      | Thermoplastic rubber |                                                                                     |                                  |               |
