

## E-75 PTE 200307

**Product type:** Swivel castors  
**Product group:** Equipment castors

Manner's equipment castor selection offers a diverse range of high-quality, durable and smooth running castors. The castors are designed to have a structure that is both durable and stylish. They are also highly reliable and safe. The forks are made of galvanised steel, and there is a variety of wheel options available depending on the application and operating conditions. The castors are available with a single action brake or total-stop brake, depending on the model.

### Technical data

	Wheel diameter (mm):	75
	Wheel width (mm):	23
	Load capacity (kg):	50
	Overall height (mm):	100
	Swivel radius (mm):	75
	Weight (kg):	0.2352
	Tread material:	Thermoplastic rubber

<b>Sh A</b>	Hardness of the tread (shore A):	80
	Centre material:	Polypropylene
	Bearing type:	Plain bearing
	Fitting:	Bolt hole
	Bolt hole diameter (mm):	10
	Fork material:	Steel
