

## LKE-125 ND IX L 400333

**Product type:** Swivel castors

**Product group:** Medium-duty castors  
Stainless

Users have been impressed by the functionality and durability of Manner's castors for logistics and industrial uses. With their extra-strong structure, they are long-lasting and ideal for continuous heavy-duty use.

### Technical data

|   |                                   |                 |   |                                  |                       |
|---|-----------------------------------|-----------------|---|----------------------------------|-----------------------|
|  | Wheel diameter (mm):              | 125             |  | Hardness of the tread (shore A): | 98                    |
|  | Wheel width (mm):                 | 30              |  | Centre material:                 | Polyamide             |
|  | Load capacity (kg):               | 230             |  | Bearing type:                    | Plain bearing         |
|  | Overall height (mm):              | 160             |  | Fitting:                         | Rectangular top plate |
|  | Swivel radius (mm):               | 111             |  | Weight (kg):                     | 0.952                 |
|  | Fork material:                    | Stainless steel |  | Plate length x width (mm):       | 102X83                |
|  | Hole centres length x width (mm): | 80X60           |  | Fastening hole diameter (mm):    | 8                     |
|  | Special features:                 | Stainless       |  | Tread material:                  | Polyurethane          |
