ROHS STATEMENT

The Restriction of the use of certain Hazardous Substances (RoHS) Directive (EU) 2015/863 came into force across European Union Member States on 31/3/15. The theory behind the implementation was that the Directive would compliment the Waste Electrical and Electronic Equipment Directive (WEEE).

The following materials were restricted :

- Lead
- Mercury
- Cadmium
- Hexavalent chromium
- Polybrominated biphenyl
- Polybrominated diphenyl

We hereby confirm that Manner follows these restrictions and fulfils them.
