GENERAL QUALITY STATEMENT

We hereby confirm that all products manufactured and delivered by Manner, have been tested according to

EN 12530:1998 (Castors and wheels — Requirements for use on manually propelled equipment for institutional applications) and

EN 12527:1998 (Castors and wheels — Test methods and apparatus).

Manner complies with and fulfils the Restriction of the use of certain Hazardous Substances Directive (**RoHS**), which came into force across European Union Member States on 21 July 2011).

Products manufactured and delivered by Manner fall within the **REACH** definition for "Articles" (not as "Substances" or "Preparations") (European Regulation (EC) 1907/2006 - REACH).

Manner's operating system conforms to the requirements of the **ISO-9001** quality management standard and the **ISO 14001** environmental management standard; certifications for both standards have been granted to the company.
